the body body")

[U-God]

Dino the dart specialist

Knahmean?

Golden Arms, yo

Meth-Tical, John John do your thing thing

What? Check it

The all eye seein, heavenly divine
The truth brings out, the temper in my spine
A Hill sound again, feelin symptoms that bit me
I feel for you victims, with everything up in me (uh-huh)
A head ringa, stuffed in sidewalls of frenzy
Back the fuck up, cause I'm stimmi off the Remi
A semi bloodshot eye, donkey dick of nuts
Every cut, I split and try and felt the guts (what?)
Nigga what, earthquakin speech, woofer hiss in
The razor faced victims, WHEW, that's what kissed em
Appropriate precaution, surroundin, certain it curtains
I'm dumbfounded, I'm poundin, the pavement
for mental enslavement, I'm cravin, a misbehavin
savior
America the grave for gun wavers (what?)
The wave runners, what the blood seed again
Make you wonder, about the thunder underneath the
skin (hmm)
The sapphire rhymes slap fire out your minds
with right timin, bite with vampire rhymes

[Method Man]

Hmm, eye spy, with my crooked eye

Full metal street soldiers, born to die

Put em up yeah fuck yeah, when it's Hammertime

niggaz can't be touched here, the true and livin

Night vision unseen, like Jean

when I hack men The Unforgiven, left in prison

in the Wu-Tang dirty dungeon, now you succumbin

to my twelve part dirty dozens, flabbergasted

by tracks that be Tru Mastered, opposites attract

beef plus they ass backwards, stick yourself
til I'm felt, this ass whoopin, is bein dealt
Like hot beans-and-butter nigga, I got the belt
What the deal huh? Swing low, sweet chariot
I walk the Underground Railroad, with Harriett
Just a slave to the rhythm - victims I'm like alien
About to put that shit up in em, I Can't Live
Without My Radio, a 100 Miles and Runnin
T2 Judgment comin, nobody's safe
when I reminisce about Case, still hit the staircase
when the coppers give chase, I give em finger
The only hip-hop singer, to tell America
to kiss his Killer Bee stinger, nothin can save ya
from this major misbehavior, heavy hands
layin corners in the elevator, guard your grill

[Cappadonna]

I speculate, get my darts straight, don't exaggerate
Dictate, do it with the Papermate, set the plate
set the bait, checkmate, fuckin with cha mental state
Double take, meditate, earthquake, VGL contemplate
Big boys integrate; catch you at the sess skate
Army tank, high rank, got the bank
Got the shank talk the talk walk the walk from New York
to Up North to downstate to L.A., to all day
To cliches to instant replays, to all the DJ's
To BJ's in the PJ's, equality days
With money like legs I plant eggs, Pele roundhead
The dog bred, snakes runnin from red, catch dead
Raekwon is on, take your uniform, we perform
shit like gangs in Now Born, check for new Don
Fuck a Yukon, you been warned, we the realest
We never were conned, duffed out and knowledge
born

("Rock, the body body - rock the body body") - repeat til
fade
