Here we are again
changing your life can save you.
Close to your magic dream
close to the people.
How can I help you now if you don't let me in your -
Over and over again
closer to my life.

When the world is running down - get closer.
We can't tell you goodbye.
All the world is waiting for - get closer.
We can take you in the night.
Here we are again if you don't let me in your -
Close to your magic life
close to new people.
How may I help you now
changing your spell can save you.
Over and over again
closer to my life.
When the world is running down - get closer. . . .
