Ins Nama'v Great Fyr

Great Fyr
Consumes The Eternity
With The Windy Lights
With The Raging Glares
With The Ardent Dances
With The Chants Of The Coals
Ruining With The Flames
Crushing With Madness
The Tongues Of Fires
In The Helluva Dancings
With Incandescent Live Coals
Ruin The Timelessness

ORRO!
With The Lethal Heat
With The Windy Lights
With The Smouldering Woods
With The Blood-Red-Hot Coals
Crushing With Flames
Tearing Firely
Ins Nama'v Evereve
Ins Nama'v Great Fyr
