Winterbastard

Nourished With Flesh Of Cold Snowstorm  
Black Bestia Being Born By Blizzard  
Is Twining A Black Tracery Wreath  
With A Freezing Web Of Snowy Troops

Snow-Drifts - Dwellers Of Ancient Wood-Thicket  
The Frosty Palace Of A Snowy Prince  
The Silverhaired Guardian - The Father Of Spiteful  
Blizzard  
The Father Of Beauties Unseen To A man  
Heil, Winterbastard - The Blackening Of The Sun  
You Murder The Light While Spreading Your Wings  
With A Breath Of A Frost, With The Singing Of January  
You Are A Warrior Of Freezing Strength Of Zimerzla
