Chorus:

[I want to FUCK!]

[Sweet pussy!]

[I ain't lyin']

Verse 1:

Straight up, girl, I wanna fuck

Yo' fine ass in the buck

We can do what comes to mind

We can do it fast or take our time

We can do it any way you like,

As long as we fuck tonight

Love, there's a time for it,

But look, tonight I wanna fuck!

In that ass I wanna get, deep,

Like Jacques Cousteau in that C, U-T, U-P

Freak Nasty, hittin' that sweet pussy

Don't front 'cause I ain't fakin'

Let's get together and make bakin'

There's a time for love, but tonight is now

Whassup? I wanna fuck!

Chorus

Verse 2:

Fuckin' is good when you're fuckin' right

Freak Nasty fuck all night

Doggystyle, let's go, lemme hit that ass back tho'

I guarantee you won't regret it

Jus' gimme a chance and let me get it

2, 3, 4, 5, 6, nut! Girl, I wanna fuck!

My dick is hard, so what you gon' do?

If you don't know, here's a clue:

Fuckin', suckin', you know you want it

You wouldn't be in the club flauntin' it

So stop puttin' on and cut to the chase

Lemme see how it taste!

There's a time for love, but tonight is now

Whassup? I wanna fuck!

Chorus

Insert (2x):

[Ohhhhh ... you gotta gimme some now]

[I ain't lyin']

[Ohhhhh ... you gotta gimme some]

[Sweet pussy!]

[I want to fuck!] (4x)

White. [Sweet pussy!] Black. [Sweet pussy!] (2x)

Chorus

Verse 3:

I ain't playin', girl, I'm for real

You ain't dumb, you know the deal

Y'all do the same all the time

If you say you don't, stop lyin'!

O-R-G-I-E, Freak Nasty, can't you see

I'm all about sex, triple-X-rated, as I stated

I don't mind lickin' toes

If you do me too, that's how it goes

You got knees, I got knees, girl;

I don't mind sayin' please! I can love you long,

I can love you right, but not tonight

There's a time for love, but tonight is now

Whassup? I wanna fuck!

Chorus
