Unh yeah
Snoop Kellz once again
This is for the non believers
That seem to think that pimpin is easy
Yo uncle Snoop let's go get these knuckleheads

Pop bottles, shake hands
Recognize I'm the man
I tried to tell em but they won't understand that
Pimpin ain't easy
I got money I got cars
Still fuckin with them hood supastars
Spend a 100 grand ova by the bar like
Pimpin ain't easy

Well it ant
All them faces and that laker paint casa by the lake
Make a lil nigga faint
Ballin is what I does I ain't messin with you can't's
I'm a can do negro
A real life California hero
About 6 zeros at the end of the number in my bank
account
Nigga ain't ya mad at me I'm so happy to see that you
Stopped your life to watch mine
Yeah you see it fool
Snoops everywhere
Italy I'm heavy there
Did a show in Rome
Like homes say u ain't never there
Talkin bout you poppin bottles
I don't see none
You made it rain where?
I don't see a one
Go on get it off
That's what they like to hear
Get yo money pimp
We don't fight it here
It's hard enough to be me not tryna be you
It something I gotta see until then I'm a

Pop bottles, shake hands
Recognize I'm the man
I tried to tell em but they won't understand that
Pimpin ain't easy
I got money I got cars
Still fuckin with them hood supastars
Spend a 100 grand ova by the bar like
Pimpin ain't easy

This ain't a joke like loc made it look easy to ya
I been thru some shit I made it easy fo ya
Now u ain't gotta do much I pop for er'body
Go on grab a bottle share it with them busy bodies
Tell her what she wanna hear
How you would llike to take her outta town and shoppin
here
And snoopy is ya homie
Nah now girl he outta here
He just act like he don't know me when he all up in here
You a fool jack
No I don't condone fakin for a btch
Don't call it pimpin when you bringin home the bacon to
this bitch
Gon head and talk money
Talk look at the chicks involved
But kno the deal you better flip her like a somersault
Snoopy never played the role for which he waasnt built
for
Never call somebody friend that I wouldn't kill for
I do this ballin cause I can not cause it's cool
I pop cause I'm the man
Now watch me and Kellz

Pop bottles, shake hands
Recognize I'm the man
I tried to tell em but they won't understand that
Pimpin ain't easy
I got money I got cars
Still fuckin with them hood supastars
Spend a 100 grand ova by the bar like
Pimpin ain't easy

Man I got pimpin in my veins
Pimpin in my blood
Pimpin in my swag
Pimpin in my cup
Walkin like a pimp when I walk it thru the club
Pause like a pimp so the hoes show me love
Pimp by day pimp by night
Pimp haters make me keep my pimp game tight
See ya'll type a fools make a nigga wanna thug

Like shots of patron make a nigga wanna fuck
But I ain't on that shit so I'm a throw my hands up
And keep it sexy pimpin cause that's how I does
Uncle Snoop says Kellz go hard or go home
Mutha fuckas I'm still here

Pop bottles, shake hands
Recognize I'm the man
I tried to tell em but they won't understand that
Pimpin ain't easy
I got money I got cars
Still fuckin with them hood supastars
Spend a 100 grand ova by the bar like
Pimpin ain't easy

To all my honeys in the club getting money with the
thugs
Keep it pimpin baby keep it pimpin baby
Southside westside eastside northside
Keep it pimpin baby keep it pimpin
