ayayay,  
ay ay hey, ohh  
say you wanna walk away,  
you aint got nothin to say,  
well i salute ya, ay  
go on out the door now, you take care..  
no more tears to shed,  
what, you expectin me to beg?  
girl enough, im done.  
so when you leave just close the door behind you,  
cause im feelin kinda taller than you, lately.  
feelin kinda stronger than you, lately.  
i feel kinda better than you,  
and i know just what to do.  
yeah i feel like doin my hair, i feel like callin some of  
my friends,  
i feel like going to a club,  
and partying.

cause im a soulja, girl  
in this world.  
stand alone, 10 feet strong.  
i walk the miles and made it home,  
its good to know with out ya i made it.

soulja, girl,  
in my world.  
took the fall, now i stand tall.  
all the pain and all, i made it through.  
and now ima found to say to you,  
salute, ay ay ay,  
salute, ay ay ay,

[Salute Lyrics On ]

thinkin on everything,  
so you think that yo shit dont stink,  
well it do, yeah.  
and when it comes to me,  
you dont have a clue.  
it took me all of these years,

to realize that ya dont belong here.  
i can do better,  
you say ill never do better?  
yeah, right whateva.

im feelin kinda taller than you, lately.  
feelin kinda stronger than you, lately.  
i feel kinda better than you,  
and i know just what to do.  
i feel like doin my hair,  
i feel like callin some of my friends,  
i feel like going to a club,  
and partying.

cause im a soulja, girl  
in this world.  
stand alone, 10 feet strong.  
i walk the miles and made it home,  
its good to know with out ya i made it.

soulja, girl,  
in my world.  
took the fall, now i stand tall.  
all the pain and all, i made it through.  
and now ima found to say to you,  
salute, ay ay ay,  
salute, ay ay ay,

so dont calling to come back,  
i been here for years,  
through all the drama and the pain,  
and all of the tears.

its time to stop this rollercoaster,  
so that i can get off,  
and start moving mountains,  
swimming seas,  
and climbing over walls.

cause im a soulja, girl  
in this world.  
stand alone, 10 feet strong.  
i walk the miles and made it home,  
its good to know with out ya i made it.

soulja, girl,  
in my world.  
took the fall, now i stand tall.  
all the pain and all, i made it through.  
and now ima found to say to you,  
salute, ay ay ay, ay ay ay,

salute, ay ay ay, ay ay ay,
