[Scat-D]

Dropping you like a tonne a bricks

[DJ Swiss]

Outside Niggaz don't really trust them
South side niggaz gettin
So what's the fuss then?

[Scat-D]

Chicks wanna talk bout baby-making (huh)
I'm not into that, fuck that, ladiez keep a kitty-kat

[DJ Swiss]

Hot shit I'm gonna drop shit
S-o-S...So Solid can't stop dis
Flop this
Playa haterz wanna knock this
Stop this
Then niggaz find out
So you dismiss, No witness
No business, 'cause I Swiss this
I thought you would shit bricks
I got big hits

I didn't even really need to rip dis
Are you feelin tha vibe that I give dis?

[chorus]

You cant stop dis shit you know
We got chicks, ice, platinum whips & 2 much dough(?)
If u wanna try and have a go
Theres 25 of us each loaded with a gat
Hey neuch and kaish i got a ya back!

[Neutrino]

Stuck in...
People from school dat fink they're eight-teen!
What's the funniest thing I've seen?
Too explicit to buy the CD
It's censored, cuz it's too cold!
Too cold- S-Club 5...
"Don't stop movin'"
I stop every time I 'ear your music.
How can people get caught like dat?
Canabis, more like smokin crack!
I'm sicka these fake MC's, soundin' like Mr Blobby
Ski-bi-di-bi-di-bi-di
Wot da fuck you on, LSD?
Everything is bigger difference
Find out the price, get vexed
And then your wifey's, up at da T.V.
Wantin' Neuchy, Creamin' her panties-
And wen u digga her in bed, she picturin me!
I dare ya this ma bout gettin gettin' jacked
Or I'll break in your house, when I'm dressed in black,
and I pull out ma gat!
Strip ya naked, take your possesions,
Then us gettin' jacked, JACKED?
I shot myself in the leg, cuz I'm fucking crazy like dat!
(Crazy like dat...)

[DJ Swiss]
You can't take ma dough ya know
Now ya know

[Harvey]
So Solid wanna reck this
When I'm on the mic I bust this!
To the beat you don't wanna test this!
I don't give a damn man.
Lyrical flow
When I'm on da mic, makin tha dough, ya know
I'm gonna hit you wit my lyrical vibe, watch the rhyme
So Solid Crew/Oxide

[Chorus]

[Scat-D]
Show me somethin'
The man who fillin' it up, livin' it up,! it up!
Runaway...no way...runaway...no way
