I dont know what there talking about
I'm making my own decisions
Stick around there gana bring me down
I'm like a junkie out in the ditches
Mama dont cry I just want to say hi like plainly
Everybodys walking but nobodys talking it looks alot
better from here.

All my life I've been over the top, I dont know what im
doing all i know is i dont want to stop.
All my life im gana go to the drop
Theres no other reason other way to make me
I dont want to stop

Why dont they ever listen to me?
Its just a one way conversation
Nothing they say is gana set me free
Dont need answer to salvation
To women religion the only one god
I dont need another savyor
Dont try to change my mind You know im one of a kind
aint gana change my bad behavior

All my life I've been over the top, I dont know what im
doing all i know is i dont want to stop.
All my life im gana go to the drop
Theres no other reason other way to make me
I dont want to stop
All my life I've been over the top, I
dont know what im doing all i know is i dont want to
stop.
All my life im gana go to the drop
Theres no other reason other way to make me
I dont want to stop

Forever....I dont wana stop
I dont wana stop...Forever (x4)

All my life I've been over the top, I dont know what im
doing all i know is i dont want to stop.
All my life im gana go to the drop
Theres no other reason other way to make me

I dont want to stopAll my life I've been over the top, I
dont know what im doing all i know is i dont want to
stop.

All my life im gana go to the drop
Theres no other reason other way to make me
I dont want to stopAll my life I've been over the top, I
dont know what im doing all i know is i dont want to
stop.

All my life im gana go to the drop
Theres no other reason other way to make me
I dont want to stop
