An evil dream did not let me sleep  
I saw myself sitting in a burning chair  
My wounds start bleeding again  
I wanted to touch the moon  
A journey to the stars for very last time

Creating Gods  
In your illusions  
Creating Gods  
Nailed to the cross  
Creating Gods  
In your redemption  
Creating Gods  
Nailed to the cross

Some black ravens flying over me  
Lacerating my face  
I hear voices out of the darkness  
The black riders are awake again

Creating Gods  
In your illusions  
Creating Gods  
Nailed to the cross

Creating Gods  
In your redemption  
Creating Gods  
Nailed to the cross

Whipped by the wind  
Blinded by hate  
With their hate the storm will come  
With the death the end of all days is near  
Winds wakes me up  
Bloody snow is falling  
My veins are frozen  
Blood turns into ice  
I can see them  
They are waiting for me

Creating Gods

In your illusions  
Creating Gods  
Nailed to the cross  
Creating Gods  
In your redemption  
Creating Gods  
Nailed to the cross
