[Verse 1]

How could you leave me in such a way?  
I thought you loved me I feel betrayed.  
You needed my heart and so I gave,  
How could you leave me in such a way?

[Verse 2]

Just one more lover with broken dreams,  
Just holding on to my self-esteem.  
Why did it take me so long to see  
I'm just one more lover with broken dreams?

[Chorus]

But wait (wait), I just wanna say,  
My heart heals day by day,  
And I don't love you anymore.  
No I don't love you anymore.

No, no, no I don't love you anymore,  
(No I) I don't love you any more.

[Verse 3]

I learned to look after number one,  
And will not stray from the path I'm on.  
You've been afraid of this for so long.  
(I'm looking after number one, looking after number  
one)

[Chorus]

So hey (hey), I just wanna say,  
My heart heals day by day,  
And I don't love you any more. (yeah yeah)  
I'm free, (said I'm free, yeah yeah)  
Where I wanna be, (where I wanna be)  
No more misery, (there'll be no more misery)  
'Cause I don't love you any more.  
No I don't love you any more.

No, no, I don't love you any more  
(No I) I don't love you any more

[Chorus]

So hey (hey), I just wanna say,

My heart heals day by day,

And I don't love you any more. (yeah yeah)

I'm free, (said I'm free now)

Where I wanna be, (where I wanna be)

No more misery, (there'll be no more misery for me  
now)

'Cause I don't love you anymore.

(I don't love you no more, I don't love you anymore)

No I don't love you anymore, no, no,

(I don't love you)

Don't love you anymore
