[Intro]

You said you loved me,
Is that a matter of fact, fact, fact, fact?

[Verse 1]

I guess I fell for it,
Almost believed that it,
I let my heart, rule my head.
You really got to me,
Your sensuality,
But pleasure ain't my only need

[Bridge]

You thought you'd pulled the wool over the lid of my
eyes,
I was spell bound, hypnotised, but don't you patronise.

[Chorus]

You said you loved me,
Oh, I was so blind,
You had my world spinning round, round,
You said you need me,
Is that a matter of fact?
Or everybody's talking behind my back?

You said I was your heart and soul desire,
There ain't no smoke, without fire.

[Verse 2]

An educated guess,
Tells me your faithless,
Lie through your teeth but your eyes confess,
You've got no dignity,
And you ain't no good for me,
So save your tears and get off your knees.

[Bridge]

You thought you'd pulled the wool over the lid of my
eyes,
I was spell bound, hypnotised, but don't you patronise.

[Chorus]

You said you loved me,
Oh, I was so blind,
You had my world spinning round, round,
You said you need me,
Is that a matter of fact?
Or everybody's talking behind my back?

You said I was your heart and soul desire,
There ain't no smoke, without fire.

Oh, you said you loved me, oh,
Yeh, I was so blind,
There ain't no smoke without fire

[Bridge]
You thought you'd pulled the wool over the lid of my
eyes,
I was spell bound, hypnotised, oh...

[Chorus] x2
You said you loved me,
Oh, I was so blind,
You had my world spinning round, round,
You said you need me,
Is that a matter of fact?
Or everybody's talking behind my back?

You said I was your heart and soul desire,
There ain't no smoke, without fire.
