[Verse 1]

You could see
I was at your mercy
I was addicted
Beyond Belief

[Bridge]

And then you
Reached into, the heart of my soul
You took me to a place I've never known
Now I never want to let go
No, no

[Chorus]

You are my weakness, baby
And I'm making no secret when we touch
I fall into love, the deepest
And I'm so satisfied
Cause you are my weakness

[Verse 2]

I concede into my
Beautiful defeat
We've been touched by sounds beyond our control
Now its all, that I need

[Bridge]

And then you
Reached into, the heart of my soul
You took me to a place I've never known
And Now I never want to let go
No, no

[Chorus]

You are my weakness, baby
And I'm making no secret when we touch
I fall into love, the deepest
And I'm so satisfied

And when we kiss
This chemistry between us
Is all, that I ever need

I fall in love the deepest
And I'm so satisfied
Oh

Oh yer, you are my weakness x 3
