Pretty as a midsummers morn, they call her Dawn

Dawn, go away I'm no good for you

Oh, Dawn, stay with him he'll be good to you

Hang on, Hang on to him

Think, what a big man he'll be

Think, all the places you'll see

Now think what the future would be

with a poor boy like me

Dawn go away, please go away

Although I know I want you to stay

Dawn go away, please go away

Baby don't cry, it's better this way

Oh Dawn go away, back where you belong

Girl we can't change the places

where we were born

Before you say that you want me

I want you to think what your family would say

think what you're throwing away

Now think what the future would be

with a poor boy like me

repeat 5x Dawn, go away I'm no good for you
