I solve my problems and I see the light  
We gotta plug and think, we gotta feed it right  
There ain't no danger we can go too far  
We start believing now that we can be who we are  
Grease is the word  
They think our love is just a growing pain  
Why don't they understand? It's just a crying shame.  
Their lips are lying, only real is real  
We start to find right now we got to be what we feel  
Grease is the word  
It's got groove, it's got meaning  
Grease is the time, is the place, is the motion  
Grease is the way we are feeling  
We take the pressure and we throw away  
Conventionality belongs to yesterday  
There is a chance that we can make it so far  
We start believing now that we can be who we are  
Grease is the word  
It's got groove it's got meaning  
Grease is the time, is the place, is the motion  
Grease is the way we are feeling

This is a life of illusion

Wrapped up in trouble laced with confusion

What are we doing here?

We take the pressure and we throw away

Conventionality belongs to yesterday

There is a chance that we can make it so far

We start believing now that we can be who we are

Grease is the word (the word that you heard)

It's got groove, it's got meaning

Grease is the time, is the place is the motion

Grease is the way we are feeling

Grease is the word (is the word that you heard)

It's got groove it's got meaning

Grease is the time, is the place, is the motion

Grease is the way we are feeling

Grease is the word

Is the word

Is the word

Is the word

Is the word

Is the word

Is the word

Is the word

Is the word

Is the word

Is the word
