Don't let your love go astray,

Save it for me

Don't give your sweet kiss away,

Save it for me

I know you're feeling blue,

'Cause I feel blue like you.

I'll be strong as you

Are and wait just as long as you

Don't waste that look I adore

Save it for me

Just wait a little bit more

Save it for me

I know that you must cry:

Cry, baby, so do I.

Just sit tight

And leave on your light

'Cause I'm coming home to your arms,

Oh baby,

I'm coming home to your arms.

Save it for me

Save it for me

I know that you must cry:

Cry, baby, so do I.

I'll be strong as you

Are and wait just as long as you

Save it for me

Save it for me

Save it for me
