You're crying now just like I used to cry before.(rain,  
rain, rain)

Turn off the tears, girl; I don't care any more.

You can save all your lies, 'cause I've heard them all  
before:

Tell it to the rain

And the stars that shine above,

That it's me you're thinking of,

And that I'm your only love--

Tell it to the rain.

I gave you love, girl, and got nothing in return.

How does it feel to feel what I had to learn?

Baby, don't say you're sorry, 'cause I'm just not  
concerned:

Tell it to the rain

And the stars that shine above,

That it's me you're thinking of,

And that I'm your only love--

Tell it to the rain.

Tell it to the rain

And the stars that shine above,

That it's me you're thinking of,

Oh, forget it, love--

Tell it to the rain.

Tell it to the rain

And the stars that shine above,

That it's me you're thinking of,

And that I'm your only love--

Tell it to the rain
