My heart is telling me  
You're more than praiseworthy  
I bow before your name everyday  
because You're the only one for me yeah!  
No more living in fantasy  
You took away my hypocrisy  
I thank You for everything  
You're the only one  
once I was lost nowhere to be found  
that was then and this is now  
You freed me from my chains of sin  
You broke the lock that I locked within  
You gave me hope and peace inside  
You're the only one for me yeah  
I'm kneeling down as I sing this song  
I want to praise you all day long  
I thank you for everything  
You're the only one  
once I was blind I couldn't see  
You took my blindfold off of me  
You're my God  
I'm not  
saved me  
my Lord and King
