I hate my mother,  
I hate my father,  
I hate my girlfriend,  
I hate her father.

My mother loves me,  
My father loves me,  
My girlfriend loves me,  
Her father fucks me.

So I don't know  
Where should I go  
To save my ass -  
Nobody knows.

My mother loves me,  
My father loves me,  
My girlfriend loves me,  
Her father fucks me.

(trumpet solo)

I hate everything but me,  
You know that I hate everything but me...  
(bis terque)

I hate my mother,  
I hate my father,  
I hate my girlfriend,  
I hate her father.

My mother loves me,  
My father loves me,  
My girlfriend loves me,  
Her father fucks me.

So I don't know

Where should I go  
To save my ass -  
Nobody knows.

My mother loves me,  
My father loves me,  
My girlfriend loves me,  
Her father fucks me.

(trumpet solo)

I hate everything but me,  
You know that I hate everything but me...

(bis terque)

I hate everything but...

I'm sorry, mom.
