This is David Nevermind

And today's controversy is coming from yet another member

(Aiiyo tell 'em that we not gon' be playin)

or should I say members of the hip-hop community:

(I'll blaze 'em niggaz)

Petey Pablo - a new artist signed under Jive

(Aiiyo look at my homeboys)

and has teamed up with Timbaland, outta V.A.

(We gonna blow this up)

In a quest to redeem his title

And bring, North Carolina, and Virginia, to the front of the line

(Yeah, we gon' do it)

We're gonna stand by

[Chorus: repeat 2X]

This one's for North Carolina! C'mon and raise up

Take your shirt off, twist it 'round yo' head

Spin it like a helicopter

North Carolina! C'mon and raise up

This one's for you, uh-huh, this one's for who?

Us, us, us; yes sir!

[Petey Pablo]

Who am I? Petey Pab motherfucker!

First to put it down for North Carolina

But guess what (what?), it's been worth it

I'ma superstar, bought me a big ol' car

Four point six (see the car!)

Black fifty-four from the front to back

and got a button in the middle, make the trunk go eh-eh

But it ain't 'bout that

It's about gettin whatchu gettin and drivin all back here

Big fellas (six fellas)

Half of me and Carolina niggaz, I'm tired of y'all

Polk, Bladen, Marshall, Hoke, Greene County,
Timbaland, damn

Transfer, Sandy Ridge, Browns over here (greens over here)

Pasqoutank, down on the, Odom East (lemme think)

Johnson County, Franklin, Burgaw, Newport, Warren,
Shelby, Kenansville

(Man Catawba) Tarboro, Triangle, Goldsboro, Halifax,
Fayetteville

And all my niggaz doin life behind the wall

This right here, right here, right here's for

[Chorus]

[Petey Pablo overlapping Chorus]

Uhh, uh-huh, uh-huh, beat it, beat it

You remember them days y'all, we used to play y'all

The radio and put our own lil part in the song y'all

We used to (Rep our city, rep our city!)

Runnin through the school halls

just before our basketball pep-rally jumped yall
(round!)

My house, my home, my hood (round!)

My brother, my sister, my cous' (round!)

My niggaz that was there from the beginin

been wit me even 'fore they knew what bein with me
was

Y'all niggaz just glanced at it, now I gotcha starin at it

Wouldn't been the same ol' North Carolina, it's been
then

Y'all niggaz just gettin it, oh it's a shame isn't it?

Oh you thought we said we were comin wit a whole
other

we were bullshhh! (ahh!)

[Chorus]

[Petey Pablo]

Man I had to do it

just incase you were one of the ones who wanted to
come and ask somethin stupid

(What you think you doin?) What it look like?

Puttin it down for my niggaz in the south side

North Carolina, South Carolina

And all my little bitty open little cape towns

We gonna hit y'all asses, ain't nothin but a T.D. blast

that we got comin atcha, (beat) slammin, (first) classic

(Go for this) What's after platinum?

(Baby you don't want the bomb) And I don't meant to scare ya

but I'm about to bring it home

Blow these fellas, these hills, these things and N.C. out the water

How's it feel to lose to motherfucker that be real

Now tell 'em - "I told ya!"

[Chorus]

[David Nevermind]

Uhh, af-after seeing this

I, I have no other questions, I, I mean I

Hey look, this is David Nevermind

I'm signing off, but before I'm outta here

Remember, if I ever talked anything about the Polk guys, nevermind

North Carolina and V.A. are definitely at the front of the line
