chestnut park on a saturday night  
mystical boys feelin alright  
raggedy wisdom falls from my hand  
as the ladies of cambridge know who i am

I've held dreams of boston all of my life  
chinatown between the sound of the night  
but if you leave i just dont think i could take it  
take it  
take it  
take it

graveyard freaks we're fallin in style  
lady's the pharaoh, Charles is the Nile  
thats a museum, thats a cool place  
stones of your fathers standin' today

I've held dreams of boston all of my life  
chinatown between the sound of the night  
but if you leave i just dont think i could take it  
take it  
take it  
take it

I've held dreams of boston all of my life  
chinatown between the sound of the night

cos when you left my room  
to go to the kitchen  
i imagined that you were dead  
a morbid steak runs through  
the whole of my family  
but for you i could put it to rest

but if you leave i just dont think i could take it  
take it  
take it  
take it
