You torched a Saab like a pile of leaves  
I'd gone to find some better wheels  
4, 5 meters running round the bend  
When the government agents surround you again

If Diane Young won't change your mind,  
Baby, baby, baby, baby right on time

Out of control but you're playing a role  
Do you think you can go til the 18th hole  
Or will you flip-flop the day of the championship?  
Try to go it alone on your own for a bit

If Diane Young won't change your mind,  
Baby, baby, baby, baby right on time

Irish and proud, baby, naturally  
But you got the luck of a Kennedy  
So grab the wheel and keep holding it tight  
Til you're tottering off into that good night

If Diane Young won't change your mind,  
Baby, baby, baby, baby right on time

Nobody knows what the future holds  
And it's bad enough just getting old  
Live my life in self-defense  
You know I love the past cuz I hate suspense

If Diane Young won't change your mind,  
Baby, baby, baby, baby right on time
