I took your council and you came to ruin
Leave me to myself, leave me to myself
I took your council and you came ruin
Leave me to myself, leave me to myself
Oh I was born to live without you,
But Iâ€™m never gonna understand, never understand
Oh I was born to live without you,
But Iâ€™m never gonna understand, never understand

Hold me in your everlasting arms
Look up for the feet trapped beneath the chandelier
Itâ€™s going down

I thought it over, through the Å...
Leave me to myself, leave me to myself
I hummed the Å... ad you prayed the Hallelujah
Leave me to myself, oh leave me to myself

If youâ€™ve been made to serve the master
You be fronting by the open night, fronting by the night
(?)
Could I have been made to serve a master
When Iâ€™m never gonna understand, never understand

Hold me in your everlasting arms
Look up for the feet trapped beneath the chandelier
Itâ€™s going down
Hold me in your everlasting arms
Look up for the feet trapÃiÃ1Ã—ed beneath the
chandelier
Itâ€™s going down
Hold me in your everlasting arms
