Bend the finger back, snap!
Break your hip, break your toe
Break it til your left hand's straight
Hit me with a wood bat,
Hit me with a canister
Just found my soul, drive away

Bend the finger back, snap!
Owww, owww, owww
Hurt for days
Hit me with a wood bat
Hit me like a Yankee
Like the South that never had a slave

They said the kid willing is a dummy on a line
Sympathy that early, the sun will never shine
Everybody wants you, but baby you are mine
Baby, you're not anybody's fool

Listen with a heart attack
The industry is calling
You can show me where to find a searcher's knife
Visit every now
How did I do the punishment?
The punishment I needed all my life

Bend the finger back, snap!
Owww, owww, owww
First draft

Listen to the motor
And listen to the ambulance
It's harder letting me for being wired

They said the kid willing is a dummy on a line
Sympathy that early, the sun will never shine
Everybody wants you, but baby you are mine
Baby, you're not anybody's fool

You know that I'm awakened and the road down is wide
A sense of curiosity and yes, they coincide

Everyone was shy, we took 'em for a ride
Baby, you're not anybody's fool

Bend the finger back, snap!
Break your hip, break your toe
Break it til your left hand's straight
Hit me with a wood bat,
Hit me with a canister
Just found my soul, drive away

Bend the finger back, snap!
Owww, owww, owww
Hurt for days
Hit me with a wood bat
Hit me like a Yankee
Like the South that never had a slave

They said the kid willing is a dummy on a line
Sympathy that early, the sun will never shine
Everybody wants you, but baby you are mine
Baby, you're not anybody's fool

The obstacle is broken and intelligence is fine
The city getting down like a country in decline
Every once and now I look you in the eyes
Baby, you're not anybody's fool

See ya next year in Jerusalem
You know, the one at 103rd and Broadway?
Cause this Orthodox girl fell in love with the guy at the
falafel shop
And why not?
Should she have averted her eyes and just stared at
the laminated poster of the Dome of the Rock?

And then blood, blood, blood, blood, blood, blood,
blood, blooooo
And then blood, blood, blood, blood, blood, blood,
blood, blooooo

Remembrances of holy days in Tarrytown and Rye
I don't wanna live like this, but I don't wanna die

Remembrances of generous hearts that couldn't bear
to try
I don't wanna live like this, but I don't wanna die

Remembrances of holy days in Tarrytown and Rye
I don't wanna live like this, but I don't wanna die
