I had a feeling once
That you and I
Could tell each other everything
For two months
But even without hope
With truth on our side
When you turn away from me
It's not right

I think you're a Contra
I think you're a Contra
I think you're a Contra
I think you're a Contra

My revolution thoughts
Live in lies of desire
I wanna trace them to the source
And the wire
But it's not useful now
Since we both made up our minds
You gotta watch out for yourself
So will I
I think you're Contra
I think that you lie
Don't call me Contra
Till you've tried

You wanted good schools
And friends with pools
You're not a Contra
You wanted Rock' n' Roll,
Complete control
Well, I don't know

Never pick sides
Never choose between two
But I just wanted you
Never pick sides
Never choose between two
But I just wanted you

I think you're Contra

I think that you lie
Don't call me Contra
Till you've tried
