Every time I see you in the world  
You always step to my girl

Back back way back  
I used to front like angkor wat  
Mechanicsburg, anchorage, and dar e salaam

While home in new york  
Was champagne and disco tapes  
From L.A. slash san francisco  
But actually oakland and not alameda  
Your girl was in berkely with her communist reader  
Mine was entombed within boombox and walkman  
I was a hoarder but girl that was back then

The gloves are off  
The wisdom teeth are out  
What you on about?  
I feel it in my bones  
I feel it in my bonesss

IÂ'm stronger now  
IÂ'm ready for the house.  
Such a modest mouse  
I CanÂ't do it alone  
I CanÂ't do it aloneee

Every time I see you in the world  
You always step to my girl

Ancestors told me  
That their girl was better  
SheÂ's richer than croesus  
SheÂ's tougher than leather  
I just ignored all the tales of a past life  
Stale conversation deserves but a bread knife  
And punks who would laugh  
When they saw us together  
Well they didnÂ't know  
how to dress for the weather  
I can still see them there huddled on astor

Snow falling slow to the sound of the master

The gloves are off  
The wisdom teeth are out  
What you on about?  
I feel it in my bones  
I feel it in my bonesss

IÂ'm stronger now  
IÂ'm ready for the house.  
Such a modest mouse  
I CanÂ't do it alone  
I CanÂ't do it aloneeee

WisdomÂ's a gift but youÂ'd trade it for youth  
Age is an honor itÂ's still not the truth  
We saw the stars when they hid from the world  
You cursed the sun when it stepped to your girl  
Maybe sheÂ's gone and I canÂ't resurrect her  
The truth is she doesnÂ't need me to protect her  
We know the true death  
The true way of our flesh  
EveryoneÂ's dying but girl youÂ're not old yet

The gloves are off  
The wisdom teeth are out  
What you on about?  
I feel it in my bones  
I feel it in my bonesss

IÂ'm stronger now  
IÂ'm ready for the house.  
Such a modest mouse  
I CanÂ't do it alone  
I CanÂ't do it aloneeee

The gloves are off  
The wisdom teeth are out  
What you on about?  
I feel it in my bones  
I feel it in my bonesss

IÂ'm stronger now  
IÂ'm ready for the house.  
Such a modest mouse  
I CanÂ't do it alone  
I CanÂ't do it aloneeee

Every time I see you in the world  
You always step to my girl
