Anna and ollie they were roasting up a tofu pup the
backyard
Says ollie, "Oh, we're all out of buns but, isn't this fun?"
They they they they were spread upon the lawn
drinking lemonade and eating cheese
And later on, beneath the black sky the night erupted
there for free

Oh Anna, take me in with water arms surround me,
blow your breezy charms around me
Oh Anna, you're a house of many rooms and all the
secrets deep entombed within you,
i know a few

Says Anna "Ollie, oh, I know a place where you can dive
between my peaks into the blue.
You take the red dot-dot-to-dot trail there.
It's sweet for you."
Oh ba ba black sheep have you any wool?
Yes dear yes dear you know the fridge is always full,
for you

Oh Anna, take me to your eerie heights above paint
white letters I you love
Oh Anna, drop me off a cliff
I fall

Says Anna "Ollie oh, you know it's old, it's old, it's old
it's true
Ollie, Ollie, Ollie take me far away, show me something
new"
And they do

Oh Anna, take me in with water arms surround me,
blow your breezy charms around me
Oh Anna, you're a house of many rooms and all the
secrets deep entombed within you
I know a few
Ollie Ollie in come free,
The doors are locked and you can come and stay with
me
