If a girl wont come round  
(She must be a lesbian)  
Or turns me down  
(She must be a lesbian)  
If she don't like me  
(She must be a lesbian)  
I'll let her down lightly  
(You must be a lesbian)

I'm at a party, I'm a girl machine  
I'm gonna have sex with them all, if you know what I  
mean  
It's like a sweet sixteen, but the girls are eighteen  
And I can't wait to peel em like a tangerine

I'm gonna g... go down on em like a submarine  
Submarines are fun he he he he hee  
I-I-I walk to a hottie and turn on my charm  
But before I can start I hear a rape alarm

It's going (woop woop)  
I can't feel my ears I think they're bleeding  
From the (woop woop)  
I can't work out why the girls are screaming

I'm the best looking boy in the world  
Ohh wait I bet she likes kissing girls

I still hear the (woop woop)  
Maybe if I let her she would me with a (woop woop)  
I can't work out why the girls don't fancy me

I'm the best looking boy in sight no hang on  
I bet she likes boobies right?

If a girl wont come round  
(She must be a lesbian)  
Or turns me down  
(She must be a lesbian)  
If she don't like me  
(She must be a lesbian)

I'll let her down lightly  
(Ohh, You must be a lesbian)

If a girl wont kiss  
(She's taking a piss)  
Or get down with this  
(I can't believe it)  
If she doesn't fancy me (wayoo)  
She must bat for the other team  
She's a lesbian.

Take two, it's my rapping debut  
I'm having trouble trying to find a better girl to pursue  
I'm like a fire truck WHAT! Full of muscley guys?  
I meant a pun where I'd compare the hose to my own  
size

And then I see her, and I start feeling sick  
I say my name is Pogo, you want to jump on my stick?  
(boing)  
I woo her with my words, ask if I can poker face?  
She doesn't see the funny side and sprays my face  
with mace

It's going  
I can't feel my eyes I think they're bleeding  
From the  
I can't work out why the girl is screaming

I'm the best looking boy in the world  
Ohh wait I bet she likes kissing girls

I still feel the  
Maybe she could me up my with a

I can't work out why the girls don't fancy me

I'm the best looking boy in sight, holy smokes  
I bet she likes boobies right?

If a girl wont come round  
(She must be a lesbian)  
Or turns me down  
(She must be a lesbian)  
If she don't like me  
(She must be a lesbian)  
I'll let her down lightly  
(She must be a lesbian)

If a girl wont kiss  
(She's taking a piss)

Or get down with this  
(I can't believe it)  
If she don't give me the eye. (wayohh)  
She must drive on the other side.  
She's a lesbian.

You go girl. What's your name! ?  
I like your... shoes.

We are two boys, and we're looking for two girls.  
They are two girls, let's talk to the girls.  
How are you?  
What's your name?  
I tried to talk, But I just came, in my pants.  
I am sad.  
Chatting up to girls is really rad.

If a girl wont come round...  
(She must be a lesbian)
