Go away from me - the answer is not true

Go away from me - there's nothing you can do

to make me understand, no matter if you come along

I want to live my life alone but somehow I can see it's wrong

What is the meaning of this feeling? I don't know!

What is the meaning of this feeling?

Go away from me - I'm searching for the truth

Go away from me - I know it lies in you

What is the meaning of this feeling? I don't know!

What is the meaning of this feeling?

I don't change my life for you, I still wonder what to do

Is it right or is it wrong, Am I weak or am I strong

I want to know

I want to know

I want to know

I want to know

What is the meaning of this feeling? I don't know!

What is the meaning of this feeling?

Go away from me - I'm searching for the truth

Go away from me - I know it lies in you

What is the meaning of this feeling? I don't know!

What is the meaning of this feeling? I don't know!
