Pain Killing Drug
"NEVER YOU"

You little fucking freak, you are really, realy, weak,

to think you rule the world, there is shit in every word.

You say, thing you do, what you want will not come true

word you say, thing you do change your live donÂ´t try
to do

You make me pain, you make me pain

You drive the world around insane :II

An asshole that you are, can never be a star,

Just realize you fail because thereÂ´s shit in every

word you say.....

You make me pain, you make me pain

You drive the world around insane :II
