"TALK TO ME"

Visit "[TALK TO ME](#)" on MotoLyrics.com

A shining star is over me, it gives me love , it gives me
light to see

But in my dreams, there's no one hear to le me, let
me stay,

I'm on my way

I cannot feel, I cannot trust, I see my live is already past

But in my dreams, I feel there's nothing, nothing I can
do what about you?

Oh, yeah, it talks to me, I'll never reach you,

Oh, yeah, it talks to me it's always on my mind

Yeah, it talks to me I'll never reach you

Oh, yeah, talk to me, talk to me

The shining star's still over me, still gives me love,
still gives me light to see,

But now I feel and now I trust and in my dreams

I do believe..... in me
