Fear, in pain, crime, pleasure
Evil, insane, torture, friend
He states, don't mistake
Don't mistake
Don't mistake
Enemy, target, prisoner
Attack, against, shooting, you?
He states, don't mistake
Don't mistake
Don't mistake
Say God,
You made justice in this world then reversed it?
Who says, it is sanity to pull that trigger?
Say God,
You made justice in this world then reversed it?
In vain, and we're going insane

Redrum am I

He states, don't mistake
Don't mistake
Don't mistake
Say God
You made justice in this world then reversed it?
Who says, it is sanity to pull that trigger?
Say God
You made justice in this world then reversed it?
In vain, and we're going insane

He states, don't mistake
Don't mistake
Don't mistake
Say God
You made justice in this world then reversed it?
Who says, it is sanity to pull that trigger?
Say God
You made justice in this world then reversed it?
In vain, and we're going insane

Will I make it through your gates?
Say God, will I make it through your gates?
