BANG ON STOMP EVERYBODY
BANG ON STOMP EVERYBODY
BANG ON STOMP EVERYBODY
BANG ON STOMP EVERYBODY

Uncover the lies
And shout with me
Stomp for more Bang for more

Welcome to real life
(Let's break away, chains are unlocking, you have so many ways)
Welcome to real life
(Hey, don't worry, chasing your calling, you can go anywhere)
Welcome to real life
(Let's break away, chains are unlocking, you have so many ways)
Welcome to real life
(Hey, don't worry, chasing your calling, you can go anywhere)

Rise up in revolution, yeah

BANG ON STOMP EVERYBODY
BANG ON STOMP EVERYBODY

It's not the truth
Stop playing the saint
Stomp for more, bang for more

Welcome to real life
(Let's break away, chains are unlocking, you have so many ways)
Welcome to real life
(Hey, don't worry, chasing your calling, you can go anywhere)
Welcome to real life
(Let's break away, chains are unlocking, you have so many ways)
Welcome to real life

(Hey, don't worry, chasing your calling, you can go
anywhere)

Rise up in revolution, yeah (Rise up now, rise up now)
Rise up in revolution, yeah (Rise up now, rise up now)

Left, Right, Left, Right, Step 1, Step 2, Left, Right, Left,
Right, Step it
Up, Step it up x2

BANG ON STOMP EVERYBODY
BANG ON STOMP EVERYBODY (Step it up, step it up!)
BANG ON STOMP EVERYBODY (Step it up, step it up!)
BANG ON STOMP EVERYBODY (Step it up, step it up!)

Welcome to real life
(Let's break away, chains are unlocking, you have so
many ways)
Welcome to real life
(Hey, don't worry, chasing your calling, you can go
anywhere)
Welcome to real life
(Let's break away, chains are unlocking, you have so
many ways)
Welcome to real life
(Hey, don't worry, chasing your calling, you can go
anywhere) x2

Rise up in revolution, yeah
