Oh... The principle thinks he's a hero, he thinks he's our  
man on Mar-ars  
He ain't seen Jimmy Wilson, and he's only in for fun  
The sign says geography lesson, map of Australia on  
the wa-all  
I only look at Tasmania, the one place I adore

Ah-hah (ah-hah), ah-hah (ah-hah), ah-hah (ah-hah)

Oh... We're all going to nude school, a nude school,  
that's for me-ee  
We're all happy at nude school, a nude school is where  
I'll be

Ah-hah (ah-hah), ah-hah (ah-hah), ah-hah (ah-hah)

Oh... Jenny thinks she's Madonna, a penthouse chased  
her by-y  
She ain't that hairy, her legs aren't that bad  
And Julie's got a tatoo, she keeps it really well hid  
She said she'll show me, I'd die, if she did

Ah-hah (ah-hah), ah-hah (ah-hah), ah-hah (ah-hah)

Oh... We're all going to nude school, a nude school,  
that's for me-ee  
We're all happy at nude school, a nude school is where  
I'll be

Ah-hah (ah-hah), ah-hah (ah-hah), ah-hah (ah-hah)  
Oh...

We're all going to nude school, a nude school, that's  
for me-ee  
We're all happy at nude school, a nude school is where  
I'll be

We're all going to nude school, a nude school, that's  
for me-ee  
And we're all happy at nude school, a nude school is  
where I'll be

Yeah-yeah-yeah, we're all going to nude school  
We're all going to nude school  
We're all going to nude school  
A nude school's where I'll be  
Yeah-yeah-yeah, we're all going to nude school  
We're all going to nude school
