[Nathan Ferraro]

In this proud land we grew up strong
We were wanted all along
I was taught to fight
Taught to win
I never thought I could fail

No fight left or so it seems
I am a man whose dreams have all deserted
I've changed my face
I've changed my name but no one wants you when you
lose

[Lady GaGa]

Don't give up 'cause you have friends
Don't give up
You're not beaten yet
Don't give up
I know you can make it good

[Nathan Ferraro]

Though I saw it all around never thought I could be
affected
Thought that we'd be last to go
It is so strange the way things turn

Drove the night toward my home
The place that I was born on the lakeside
As daylight broke I saw the earth
The trees had burned down to the ground

[Lady GaGa]

Don't give up
You still have us
Dont give up
We don't need much of anything
Don't give up 'cause somewhere there's a place where
we belong

Rest your head
You worry too much

It's gonna be alright

When times get rough you can fall back on us
Don't give up
Please don't give up

[Nathan Ferraro]
Got to walk out of here
I can't take anymore
Gonna stand on that bridge
Keep my eyes down below
Whatever may come and whatever may go
That river's flowing
That river's flowing

Moved on to another town
Tried hard to settle down
For every job so many men
So many men no one needs

[Lady GaGa]
Don't give up 'cause you have friends
Don't give up
You're not the only one
Don't give up
No reason to be ashamed
Don't give up
You still have us
Don't give up
We're proud of who you are
Don't give up 'cause I believe there's a place
