Love
Why you go so fast
Pain
Why you gotta last
Stone heart
Why you bleeding out
And why'd I walk away from you
No
You never asked me to
Oh yeah

Sun
Just go back to bed
Your light is hurting my head
I need to talk to you girl
Oh
Why'd I walk away from you when I knew there was
something
You never asked me to
Oh yeah

You know I can't stop waking up to you love
You are gone
I cannot face the truth
Honey I can't stop waking up to you on my mind
So why'd I walk away from you
No

Love
Where'd you go so fast
Pain
Why you gotta last
Those blue eyes
Why can't I see you now
And why'd I walk away when I knew there was
something
You never asked me to
Oh yeah

You know I can't stop waking up to you love
You are gone

I cannot face the truth
Honey I can't stop waking up to you on my mind
So why'd I walk away from you
No

Oh
Why'd I walk away from you
No
It's like I looked right through
Oh yeah

You know I can't stop waking up to you love
You are gone
I cannot face the truth
Honey I can't stop waking up to you on my mind
So why'd I walk away from you
No

La ah ah ah ha
You never asked me to
