Back alleys are so dark at 12 and 1 o'clock  
I'm empty handed with only a glass but no  
I won't drink  
It's 7:30 again  
I'm dreaming that I had a life  
Instead I'll sit here on the edge of my bed  
Singing stupid love songs that don't ever end

I don't want to hate you  
I wish that I could love you  
Instead I'll wallow in misery  
And dance to the rhymes of your sweet nurseries  
Well I've tried begging down your stone cold eyes  
I should have known that I'd look too far  
From what's inside of your heart  
From what's inside of your heart  
From what's inside of your heart  
Yeah  
What's inside of your heart

Back alleys are so dark at 12 and 1 o'clock  
I'm empty handed with only a glass but no  
I won't drink  
It's 7:30 again  
I'm dreaming that I had a life  
Instead I'll sit here on the edge of my bed  
Singing stupid love songs that don't ever end

I don't want to hate you  
(No)  
(Oh)

(Oh)

(Oh)

(Oh)

(Oh)

I wish that I could love you

Yeah

Yeah

Yeah

Instead I'll wallow in misery

And dance to the rhymes of your sweet nurseries

Well I've tried begging down your stone cold eyes

But I should have known that I'd look too far

From what's inside of your heart

From what's inside of your heart

From what's inside of your heart

What's inside of your heart

I'll sit here on the edge of my bed

Singing stupid love songs that don't ever end
