Come back home today
I'll love you again
Please
'Cause I'm afraid
I haven't slept in days
I know that the only time I'm on steady ground is when
you're under me

I don't care if you sinned
I'll love you again
In fact I love you now so please just tell me how
I'm trying find the way
Make you realize that we're still meant to be

I was unaware that you were lost and that you held it all
from me
I was unaware and unprepared for what I walked in on
baby
Yeah
Yeah
Yeah
Yeah

Like an empire we crumble and we fall
That's not all we got
Mistakes don't break us all
We have got a love inside
It's a yellow light and it keeps us warm again

'Cause I'm not made of stone
I ain't got no throne
With help we can rebuild
Diminish all the guilt
It'll all work out 'cause babe I'm a forgiving man
It helps that I'm in love

I was unaware that you were lost and that you held it all
from me
I was unaware and unprepared for what I walked in on
baby

I was unaware that you were lost and that you held it all
from me
I was unaware of your affair and how you held him
more than me
Yeah
Yeah
Yeah
Yeah

I was unaware that you were lost and that you held it all
from me
I was unaware of your affair and how you held him
more than me

I was unaware
Still paid a cost
Paid with the loss of you baby
I was unaware of your affair and how you held him
more than me

(I was unaware that you were lost and that you held it
all from me)
Yeah
Yeah
Yeah
Yeah
Yeah
(I was unaware of your affair and how you held him
more than me)
Yeah
Yeah
Yeah
Yeah
Yeah

(I was unaware)
(Still paid a cost)
(Paid with the loss of you baby)
Yeah
Yeah
Yeah
Yeah
Yeah
(I was unaware of your affair and how you held him
more than me)
Yeah
Yeah
Yeah
Yeah
Yeah
