We are the mutant race
Don't look at my eyes, don't look at my face
We are the mutant people
Don't look at my eyes, don't look at my face

Huh!

I'm not a man, I am a mutant
And even if you try
You know that you can't
Stop me with your human skills
Cos I've got nine feet and gills

And I can breath underwater
And I can swing from a tree
And I can do what I wanna
And I wanna be free yeah!

We are the mutant race
Don't look at my eyes, don't look at my face
We are the mutant people
Don't look at my eyes, don't look at my face
We are the mutant race
You don't looka like me, I don't looka like you
We are the mutant people
We're gonna bust ourselves right out'ta this zoo
