her hair is Harlow gold
her lips a sweet surprise
her hands are never cold,
she's got Bette Davis eyes
she'll turn the music on you,
you won't have to think twice,
she's pure as New York snow,
she's got Bette Davis eyes
and she'll tease you,
she'll unease you,
all the better
just to please you,
she's prococious
and she knows just what it takes to make a pro blush,
she's got Greta Garbo stand-off sighs, she's got
Bette Davis eyes
she'll let you take her home
and whet her appetite
she'll lay you on her throne
she's got Bette Davis eyes
she'll take a tumble on you,

roll you like you were dice,
until you come out blue,
she's got Bette Davis eyes
she'll expose you
when she snows you
off you feet with the crumbs
she throws you
she's ferocious
and she knows just what it takes to make a pro blush
all the boys think she's a spy
she's got Bette Davis eyes
and she'll tease you,
she'll unease you,
all the better
just to please you,
she's prococious
and she knows just what it takes to make a pro blush,
all the boys think she's a spy
she's got Bette Davis eyes
and she'll tease you
she'll unease you,
just to please you
she's got Bette Davis eyes
she'll expose you
when she snows you

and she knows you

she's got Bette Davis eyes

she's got Bette Davis eyes

she's got Bette Davis eyes
