Baby let's cruise
away from here
don't be confused
the way is clear

And if you want it, you got it forever
this is not a one night stand baby

(Chorus)
yeah so, let the music take your mind
just release and you will find
You're gunna fly away
glad you're goin' my way
I love it when we're cruisin' together
music is played for love
cruisin' is made for love
I love it when we're cruisin' together

Baby tonight
belongs to us
everything right
do what you must
and inch by inch we get closer and closer
to every little part of each other
ooh baby yeah

(chorus)
so let the music take your mind
just release and you will find
You're gunna fly away
glad you're goin' my way
I love it when we're cruisin' together
music is played for love
cruisin' is made for love
I love it when we're cruisin' together

cruise with me baby
oooooohhh yeah
oooooohhh (ooh, ooh)
ooh baby lets cruise
let's float

let's glide
ooh let's open up
and go inside

and if you want it, you got it forever
I could just stay here beside you and love you baby

(Chorus)
Let the music take your mind
just release and you will find
you're gunna fly away
glad you're goin' my way
I love it when we're cruisin' together
music is played for love
cruisin' is made for love
I love it when we're cruisin' together

You're gunna fly away
glad you're goin' my way
I love it when we're cruisin' together
music is played for love
cruisin' is made for love
I love it when
I love it
I love it
I love it

(oh)
(cruise with me baby)
(I love it when we're cruisin' together
