Free up the shackle and chain hail me bredrin  
Mek them know you no care bout them system  
Respect you have but no wan be no victim  
Mek them know you no follar follar follar them

Well every morning Jah Jah no that me rise  
Them look ina me face and them look ina me eyes  
Say all them a gwarn but them can't hypnotise  
Jah Jah him mek me wise why why hoy Jah Jah him mek  
me wise  
Say fe them brainwash system me analyse  
Me tek a step back when me start realise  
No matter how we work say them wan criticize  
Intelligent system them build pon lies

Free up the shackle and chain hail me bredrin  
Mek them know you no care bout them system  
Respect you have but no wan be no victim  
Mek them know you no follar follar follar them

Me say them wan come fight I and I  
Them fe no say that a long time me cry  
Cry out fe the youth and you no me no shy  
Jah Jah guide I and I why yoh hoy?? Jah Jah guide I and I  
Long time we fighting in this ya game  
Control we rights wan tek way we name  
Look how the system keeping us tame  
Me say them can't come fool up me brain  
Can't come fool up me brain

Free up the shackle and chain hail me bredrin  
Mek them know you no care bout them system  
Respect you have but no wan be no victim  
Mek them know you no follar follar follar them
