[Music: A. Kuntz, G. Werno / Lyrics: A.Kuntz]

I can't cry away all the tears  
I can't lie away all the fears  
I have inside  
all my sails are torn by the wind

the scars that you incise  
will never go away

I don't miss you  
I don't even love you  
I want you to die in my arms

I'm a storm the air that you breath  
learn to fly away  
on the wings you wear inside  
you see me dying down in the fields  
the way over the bridge

a fire guides the way  
and winds that let you soar  
will blow away my flame  
I don't miss you  
I don't even love you  
I want you to die in my arms

I don't miss you  
I don't even love you  
I wish you would die in my arms

I don't love you  
I don't hear you  
I won't cry for you

I don't miss you
