Here's the grand illusion  
Superstitious man  
I can see how it all began  
A pocket full of dreams  
And a story backwards told  
We dream it all in vain  
Holding on, holding on  
This is my final warning  
Here is my news today

This is my crying  
For these good old bad days  
Kings and queens  
And presidents  
This is my world  
This is my crying  
For these good old bad days  
Give her away, taking it down  
To the poisoned water  
This is my world  
This is my world

Where's the grand solution  
Unimortal world  
Any fool can rule the land  
When everything has changed  
And the dog spelled  
Backwards god  
Infected till the end  
Holding on, holding on  
This is my final warning  
Here's my news today

This is my crying  
For these good old bad days  
Kings and queens  
And presidents  
This is my world  
This is my crying  
For these good old bad days  
Give her away, taking it down  
To the poisoned water
