Love the life you live
Lead the life you love
Love the life you live
Lead the life you love
You should lead the life you love
You should lead the life you love
World is in trouble
Arm a geddon shall show her face
Upon creation
Goodness and mercy
Driven from the minds of the people
Lamentation
Jah Sire deliver me
Jah Sire have mercy
Jah Sire Father send I some
goodness and mercy
It a go murder them a go charge for
A pure chemical industry
Them a run from cultivation
Goodness and mercy
Driven from the minds of the people
Lamentation
Jah Sire deliver me
Jah Sire have mercy
Jah Sire Father send I some
goodness and mercy
Send I some goodness
Send I some goodness and mercy
Love the life you live
Lead the life you love
Love the life you live
Lead the life you love
Lead the life you love
The mountains of Africa
They are familiar to me
You see the black sons of Cush
We were scattered everywhere
For as far as the eyes could see
But we are from the
mountains of the moon
Kile Man Jah Row, Kile Man Jah Row

Mount Re Wen Zui, Mount Nebo
Kile Man Jah Row
So we love the life we live
Lead the life we love
We love the life we live
Lead the life we love
Lead the life we love
Lead the life we love
No tears, you don't shed no tears
You don't shed no tears
Awhoa no tears seen seen
Your body is your temple
Your one and only temple
Your body is your temple
Your one and only temple
You are living in the Holy Places
Of the tabernacle of the most high Jah
You are living in the Holy Places
Of the tabernacle of the most high Jah
Love the life you live
Lead the life you love
Love the life you live
Lead the life you love
You lead the life you love
Lead the life you love
Humanitarians
Those of you saving only animals
Humanitarians
Remove the scales from
your eyes whoa, whoa
Humanitarian saving whales
I'm saying what about humanity
Remove the scales from your eyes whoa
Love the life you live
Lead the life you love
Love the life you live
Lead the life you love
Don't shed no tears
You don't shed no tears
You don't shed no tears
You don't shed no tears
When I cry I cry dry
When I cry I cry dry
When I cry I cry dry
When I cry I cry dry
Love the life you live
Lead the life you love
You lead the life you love
Lead the life you love
Lead the life you love
Lead the life you love

Aye, aye, aye, aye, aye
Aye, aye, aye, aye, aye
Aye, aye, aye, aye, aye
Aye, aye, aye
You are living in the Holy Places
Of the tabernacle of the most high Jah
You are living in the Holy Places
Of the tabernacle of the most high Jah
