Waiting right here for just a sign
Something that tells me I 'm on your mind
I know we had our chance before
But I just can't let you go

I gave you my number just in case
You feel that the past can now be erased
They say that love can conquer all
And I 'm just wondering if you 'll call

Cause there is something I 've been longing for

Please, answer my dreams
Make me believe
You 're my heart's one the only
All I need is your call
To help me feel strong
Never again be lonely

Here, here in my arms
Is where you belong
Come to me, never leave me
All I need is your call
To know that we 'll fall
In love forever deeply

Now I 'm just waiting for a sign
I know I 've done some foolish things
But they say love can conquer all
So I am hoping you will call

Cause there is something that I need to know

Please, answer my dreams
Make me believe
You 're my heart's one the only
All I need is your call
To help me feel strong
Never again be lonely

Here, here in my arms

Is where you belong
Come to me, never leave me
All I need is your call
To know that we 'll fall
In love forever deeply
