De fevgo  
Tha mino oli nihta stin porta su  
Tha mino oli nihta sta skalia  
T' asteria tha paro ankalia  
Tha leo to onoma su siga

De fevgo  
Oso ke an thes de fevgo  
Ki as erthi himonas ke vrohi  
Ta vradia tha pagoni i psihi  
O ilios tha kei to kormi

Gia panta tha mino an rotas  
Gia panta tha 'me edo na me kitas  
Gia panta  
Edo ine to kormi  
Edo ine i zoi  
De fevgo an de figume mazi

De fevgo  
Tha mino oli nihta stin porta su  
Tha mino na s' akuo na milas  
Me filus se niotho gelas  
Ma dipla su ime opu pas

Gia panta tha mino an rotas  
Gia panta tha 'me edo na me kitas  
Gia panta  
Edo ine to kormi  
Edo ine i zoi  
De fevgo an de figume mazi
