Imuna mikros gia tosa enigmata
Ke omos ta apantisa moro mu
Ekana me 'sena tosa anigmata
Tora eho klisti ston eafto mu

Su 'riksa ta dihtia ma den piastikes
Kseris na ksefevgis ap' to thema
Isos ehis dikio pu filahtikes
Ap' to s' agapo ke apo 'mena

Ine epikindina edo
Gi afto kalitera pu fevgis
Hronia prospatho, afto pu hronia apofevgia
Ki allo an minis tha detho, gi afto kalitera pu fevgis
Hronia prospatho, afto pu hronia apofevgis
To s' agapo, to s' agapo

Su 'dosa ta panta ki omos stathikes
S' ola afta pu mu kratas krimmena
Isos ehis dikio pu antistathikes
Ke sto s' agapo, ma ke se 'mena

Ine epikindina edo

Hronia prospatho, afto pu hronia apofevgis
To s' agapo, to s' agapo
