Oceans drifting sideways,  
I am pulled into the spell;  
I feel you around me... I know you well.  
Stars slice horizons where the lines stand  
much too stark;  
I feel I am drowning... hands stretch in the dark.

Camps of panoply and majesty,  
what is Freedom of Choice?  
Where do I stand in the pageantry...  
whose is my voice?  
It doesn't feel so very bad now:  
I think the end is the start.  
Begin to feel very glad now:  
All things are a part  
All things are apart  
All things are a part.
