(Smith)

I was walking in the evening, I was  
looking for something good, clean, fine,  
pure, straight, but instead I found  
the bunker wall and gate.

It was open: I was free. I gave a  
token guarantee, though I later knew I  
had promised more - with an I.O.U. I  
could scarcely score my way...Oh  
But I herald Apocalypse anyway! I  
was a prime believer in the faith  
of 'I' :yellow fever in the cat's eye.

I/And it's everything you  
want, own, love, hate, touch, dream,  
trust; and it's everything you need.  
I got a heart like a rochet, I  
was out of control, I'd cleaned out  
my pockets for some luck to show...  
really looking like a hopeless case,  
I found it in my hand, it was  
the Angry Ace. He wants to talk to  
me, one on one, he wants to give  
me his professional opinion...but  
I'm running; I just can't wait, I  
haven't got a moment to anticipate,  
yes, I'm running, I just can't stop,  
I've got to get to the bottom just to  
get to the top, I've got the dark  
alleys and the open skies, I got  
the yellow fever from the cat's eye.

Oh - I'll let you know how it goes  
in the ninth life.
